SUMMARY

Brand Growth Manager with 3+ years of experience in digital marketing, brand strategy, AI-powered content creation, PR, influencer marketing, and business development. Experienced in scaling brand presence through social media, personal branding, website management, and data-driven marketing strategies. Passionate about leveraging AI and innovative marketing techniques to drive business growth and build strong online communities.

WORK EXPERIENCE

Kamsoft Technologies — JULY 2026 - PRESENT

Brand Growth Manager

- Develop and execute brand content strategies, manage website updates, and create AI-powered marketing content. Oversee personal branding, grow social media presence, coordinate PR, influencer and podcast outreach, and manage ORM platforms to strengthen brand reputation.

Business Development — JAN - JUNE 2026

- Generated $10,000+ in animation projects through social media and business development, converting leads into clients while collaborating with the creative team to deliver tailored animation solutions.

Social Media Executives & AI Enthusiast — 2024 - 2025

- Develop and execute marketing strategies aligned with company goals, while managing PR, influencer outreach, and social media presence. Oversee product listings, website updates, and digital ad campaigns. Create and repurpose engaging content, including videos, and leverage AI-driven marketing strategies to boost growth and efficiency.

Techpropk — 2022 - 2024

Marketing Manager

- Maintain and manage the Ecommerce platform (Daraz) with optimized product listings and performance tracking. Oversee social media platforms by creating ads, posting engaging content, editing videos, and handling PR to strengthen brand presence and customer engagement.

Digital Marketing Executive — 2021 - 2023

Seo & Content Writing

- Conduct research on the gaming niche to optimize blog content and drive affiliate marketing opportunities. Perform keyword research, SEO, link building, and website updates to improve rankings, visibility, and overall performance.
